

GREEK

Overview

The study of the Greek language is foundational for understanding the classical and Byzantine worlds. In addition, knowledge of Greek is valuable for better understanding language in general and English in particular. At New College, students can pursue a Joint Area of Concentration (AOC) in Greek, pairing it with any other AOC offered in the curriculum.

Faculty in Greek

David Rohrbacher (<https://www.ncf.edu/directory/david-s-rohrbacher/>),
Professor of Classics

Carl Shaw (<https://www.ncf.edu/directory/carl-a-shaw/>), Professor of
Classics
